

# A PICTURE WITH A PROPHETIC WORD

This photograph of the late Patriarch Parthenios III of Alexandria, is in the Abbey of the Holy Monastery of Agarathos and bears a handwritten dedication by him exactly one year prior to his passing, with a prophetic word, as out of the body of the Patriarchs who came from the Monastery of Agarathos, nine years later a fourth Patriarch of Alexandria was added, Theodoros II.

The dedication is as follows:

“For the Holy Monastery of Agarathos of the Dormition of the Theotokos, with fraternal gratitude for the hospitality and great love to the Mother of the three Glorious Patriarchs of the Patriarchate of Alexandria. + Parthenios of Alexandria. 21/6/95”
