

SECOND DAY OF THE DELIBERATIONS OF THE HOLY SYNOD OF THE PATRIARCHATE OF ALEXANDRIA

On November 23 2022, the work of the Holy Synod continued presided over by His Beatitude Theodoros II, Pope and Patriarch of Alexandria and All Africa with the reading of proposals by two Hierarchs of the Alexandrian Throne, His Eminence Ieronymos Metropolitan of Kampala and His Grace Prodromos Bishop of Toliara and Southern Madagascar, who respectively developed the topics: “Legal recognition/existence of the Metropolis in an English-speaking state (English Law)” and “Legal recognition/existence of the Metropolis in a French-speaking state (French Law)”. A fruitful exchange of views followed on the above important proposals.

Also, individual issues of an administrative nature of the ecclesiastical Provinces in connection with the local state legislations, as well as important issues of a pastoral nature, were discussed at length.
