His grace Bishop Ignatios then hosted an official lunch

in honour of His Beatitude at a central Hotel in Antananarivo . In his address to those present, His Beatitude said:

“Following the spiritual table and the communion from the chalice of life, we are here at the table of God’s given food, which, according to the tradition of our Holy Church , is a continuation of the worship and the spiritual elation.

We have come together here to enjoy all that His Grace Bishop Ignatios prepared for us, so that we may glorify “with one mouth and one heart” the true gift-giving God for His excellent gifts which He showers every day on Madagascar , where the people live in harmony, with no racial, religious, cultural or other distinctions.

We confess whatever we endure, whatever wonders we notice, whatever we live through in these few days among you, the spiritual children of the Patriarchal Throne of St Mark, the Christians of the Church of M a d a g a s c a r , Greeks and natives. Your filial love and dedication to our ancient missionary Patriarchate and to your Patriarch, who has today received many blessings, celebrating his name day with all of you, the Priests, the Officials and the people, is great and sincere. We thank you from our hearts for all that you have given us, for the kind words, gifts, rich hospitality and this lunch.

We wish to assure you that even from our See, the Great City of Alexandria, where our sainted predecessor Patriarchs lived and worked, we care and pray for you, with you in mind and spirit, taking note of your efforts, your work, your anxieties as well as your hymns and gratitude to the Almighty Heavenly Father.

paternally ask you to remain steadfast in the faith and unmoving in its traditions. And to pray that the Missionary work in Africa , the continent of the future, will continue ceaselessly so that others may be led to the Truth.

Your Grace, my beloved brothers and sisters,

I greet you with much love and fervent gratitude and we raise our glass for the long life and progress of the Officials and the people of the island of Madagascar , the members of the local church, and for peace and prosperity for the whole world".
