

HIS BEATITUDE THE PATRIARCH WITH THE ELDERLY OF THE GREAT CITY

On the afternoon of August 12, 2022, His Beatitude Theodoros II, Pope and Patriarch of Alexandria and All Africa, visited the elderly at the “Mana” Greek Aged Home of the Great City, where he chanted with them the Supplicatory Canon to the Most Holy Theotokos .

His Beatitude devoted a lot of paternal time with the noble veterans of life, so that he could converse with each one in private, to listen to them, hear their confession, offer blessings, but above all, to give joy and consolation unsparingly to all.
